I take Dressage lessons with **Callie Fulmer** and Jumping lessons with **Sharon White** and **Packy McGaughan**; this allows me to keep my skills sharp. It is also beneficial for young horses to experience different environments; and for sale horses to get them in front of other equestrian professionals. However, if you DO NOT want me to have lessons on your horse for any reason please let me know.

If you have any questions please contact me at 301-606-5436.

☺ I THANK YOU for your business ☺
